Chairman Message

Your decision to structure your career in Diploma Engineering at Sri Annamalai Polytechnic College is highly commendable and I, on behalf of Annamalar Educational and Charitable Trust extend a very warm welcome to you all. We have already spelt down our Vision, Mission and Values and sincere efforts are made to utilize the infrastructure facilities and intellectual capital to achieve these goals and values. Students of SAPTC Institutions are always motivated to participate and indulge in technical, cultural and sports activities along with academic pursuits just to make them stay abreast with global image of a complete human being.

We are conscious of the changing needs of society, hence we shall emphasize on imparting education and training to our students beyond the prescribed syllabus to make them responsible & disciplined citizens to serve the society. It is a matter of pride to convey that our students have won laurels at national and international levels in paper presentation and in getting final placements too.

I wish to congratulate you for selecting and seeking a place as a student in these Institutions. We have provided adequate infrastructural facilities for your learning and training so that you are not properly trained but also well-prepared to shoulder the responsibilities as a good citizen of the country.

But accept personal responsibility for your own growth ; no one can do it for you . What you do today will determine your tomorrow , Recollect what Swami Vivekanand has opined "You have to grow from the inside out; no one can teach you , no one can make you spiritual. There is no other teacher but your own soul".

Work and live as a family unit is the philosophy of SAPTC Institutions and I hope that your stay with us will be very comfortable, fruitful and memorable.

Principal Message

Technical Education is the backbone of every nation. Education is the most powerful tool, capable of bringing the positive aptitude in the individual. Sri Annamalai Polytechnic College is one of the most prestigious institutions of learning in Kallakurichi district and is running with innovation, creativity, human intelligence and patience. The mission of this institute is "Service to human being is Service to God". The main focus of the institution is to empower students with sound knowledge, Wisdom , experience, and training both at the academic level of Engineering and in the highly competitive global industrial market. This institute have well equipped labs, Computer centre, library, talented and dedicated faculty members to help students in attaining highest standards in academics, research and professional skills.

We wish the best for all our students, and the management of the institution who reiterate their aims at providing the best in academic and extra-curricular fields. We must believe that success is inevitable where these exist foresightedness, firm Determination, Hard work and Discipline. You are assured that you will be proud of yourself as a confident and successful Diploma Engineering after fourteen years at Sri Annamalai Polytechnic College.

Once again, I wish all our students and faculty a successful and rewarding career,
